JUNIOR AND U23  
SPRINT CHAMPIONSHIPS**

**23-26 JULY 2026**

**SZEGED**

# DEAR FRIENDS, DEAR FUTURE GUESTS,

On behalf of the Hungarian Canoe Federation, I am proud and delighted to announce that Szeged will welcome the most important age-group canoe sprint event on the continent, the Paddle Europe Junior and U23 Canoe Sprint Championships, in the summer of 2026.

Those who follow the sport closely know that the legendary Maty-ér Regatta Course has been the venue for the most prestigious international canoe sprint events in recent years, including the Senior European Championships held here in 2024 under the auspices of Paddle Europe, just ahead of the Paris Olympic Games. Now, after 2008, we once again have the honour of welcoming the best junior and U23 athletes to the City of Sunshine.

The significance of this event for Hungarian canoe sprint is immense, as we place strong and continuous emphasis on developing our youth system year after year. I am confident that once again we will discover new talents—both within the Hungarian team and among other national squads—who will go on to become defining figures of the future international elite.

On behalf of the Hungarian Canoe Federation and the Host Organising Committee, it is my great pleasure to welcome you to Szeged from 23–26 July for the next European Championships. Until then, I wish everyone all the best, and to the athletes, a successful and injury-free preparation.

**FRIENDLY REGARDS,**

Bálint Szakács

Secretary General of the Hungarian Canoe Federation

Chairman of the Host Organising Committee

## COURSE

The 2,400-metre long, 122-metre-wide regatta course is located two kilometres south of Szeged. Being an artificial course, current is not an issue here and it is quite well sheltered from strong winds as well. It is equipped with a new Albano system and has nine lanes along with a separate warm-up line. There will be electric time keeping with a photo finish camera and video recording. Automatic starting system will be used for the start. The facility fully meets the ICF requirements.

## ENTRIES IN THE ICF SDP SYSTEM

The Host Organising Committee requires you to use the online entry system (SDP) of the ICF to submit your numerical and nominal entries. The system can be reached at:

# BASIC SERVICES AND HOSPITALITY

## HOTEL BOOKINGS AND TEAM REGISTRATION IN THE HMS

Please note that hotel reservations and team registrations (without a hotel reservation) must be submitted via the HMS (Hospitality Management System) at [HTTPS://HMS.DIGICORP.HU/LOGIN](https://hms.digicorp.hu/login).

Please be aware that **registering your team in the online system** (arrival & departure dates, number of persons) **is mandatory even if you are planning to book your accommodation independently from the Host Organising Committee.**

**Prior to logging in for the first time, please send an email to [BOOKING@SZEGED2026.COM](mailto:BOOKING@SZEGED2026.COM), even if you have used the system earlier**, since we need to add the new event to your profile.

Please note that **email modification requests cannot be accepted and will not be considered: all changes should be indicated exclusively** – before and after the deadlines – in the online system.

Please remember that no booking or modification request can be considered as confirmed until you receive a notification from the HOC.

**IMPORTANT:** As the event is **not an open championship, we accept enquiries, bookings, and payments exclusively from National Federations** and their officially appointed representatives. **Our services cannot be ordered or paid for by parents, individual athletes, or sports club representatives.**

Please ensure **that your National Federation designates one official representative who will be responsible for submitting and managing all team orders.**

Kindly note that **one joint pro forma invoice will be issued per team.** Any further financial arrangements between the National Federation and self-paying participants must be handled directly between those parties, without the involvement of the HOC.

## CITY OF SZEGED

Entitled as the capital of sprint canoeing, Szeged is the seat of Csongrád County and the fourth largest city in Hungary. It is situated near the south-eastern border of Hungary right by the Tisza River. A large part of the town lies on the right bank, while Újszeged (New Szeged), a suburban district of residential homes and parks is on the left bank of the Tisza. Szeged is the cultural and economic centre of South-Eastern Hungary and a thriving university town, which is also famous for its open-air theatre. The city centre is marked by the medieval Tower of St. Demetrius and the stately twin spires of the Votive Church. This cathedral was built in the first decades of the 20<sup>th</sup> century to commemorate the revival of the city after the devastating flood of the river in 1879. By Hungarian standards, Szeged is a large city, with a population of 177 000. The climate is very favourable of canoeing; the annual mean temperature being about 11 °C (52F), somewhat higher than in the rest of the country. Szeged is sometimes called the City of Sunshine as there is an average of 2 000 hours of sunshine annually.

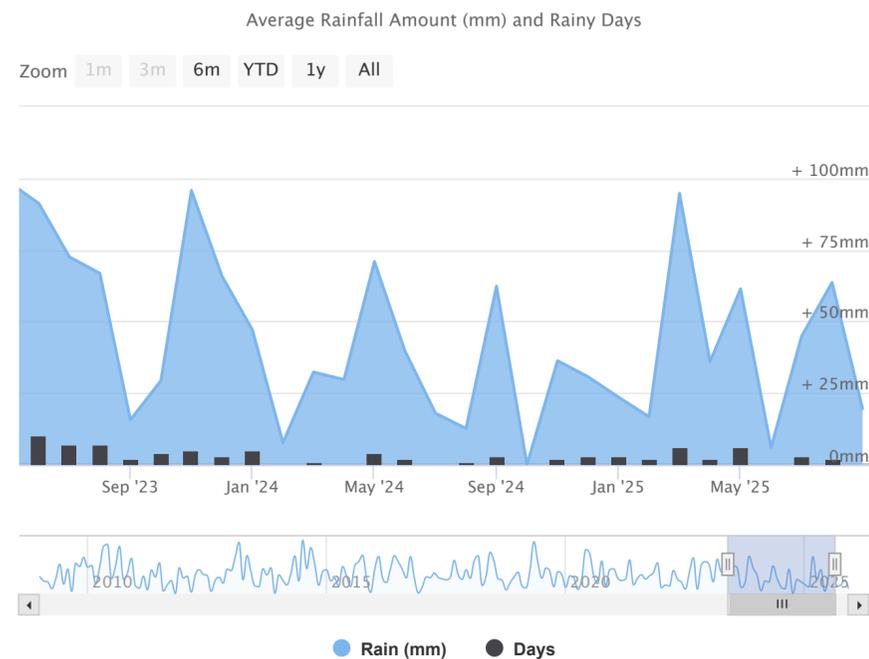

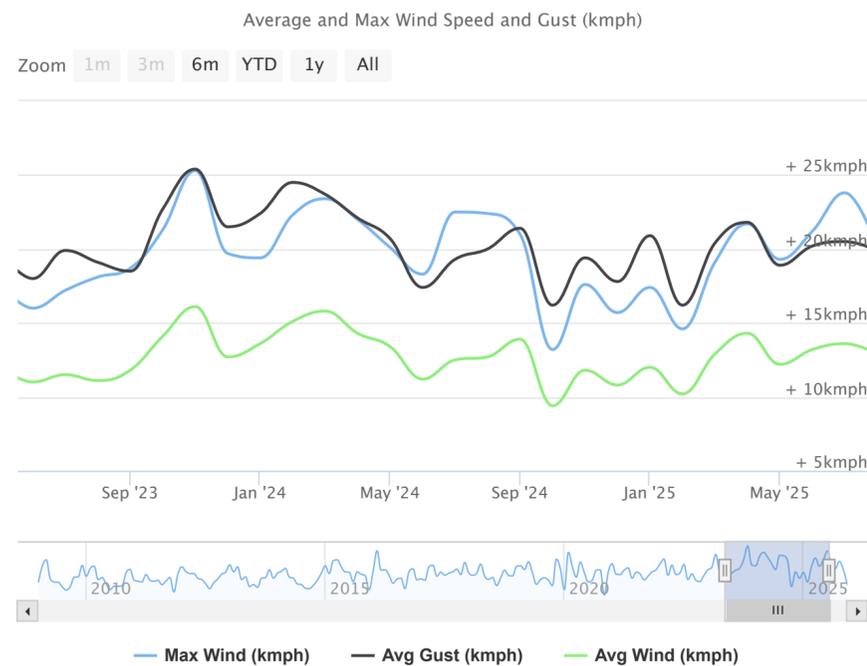

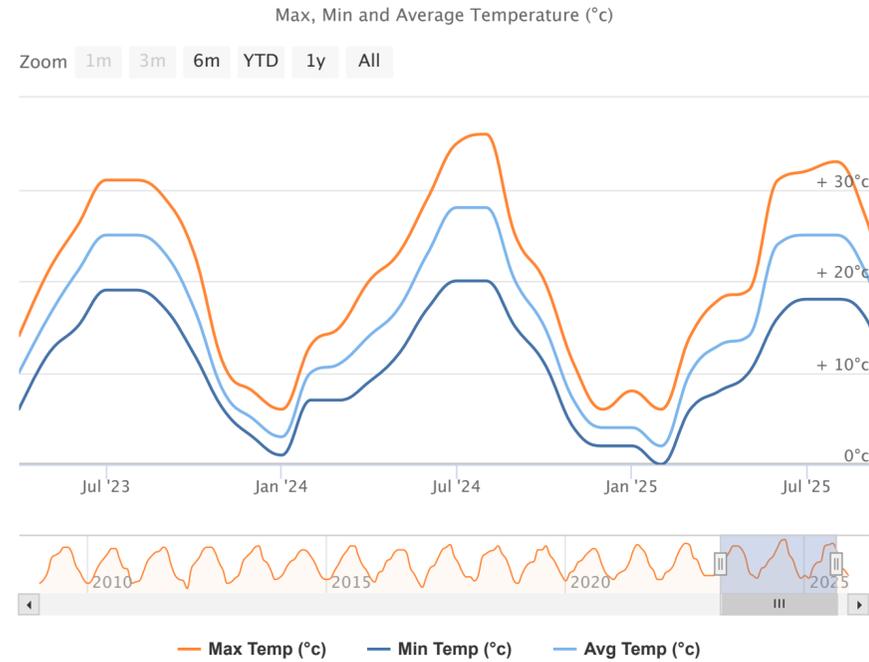

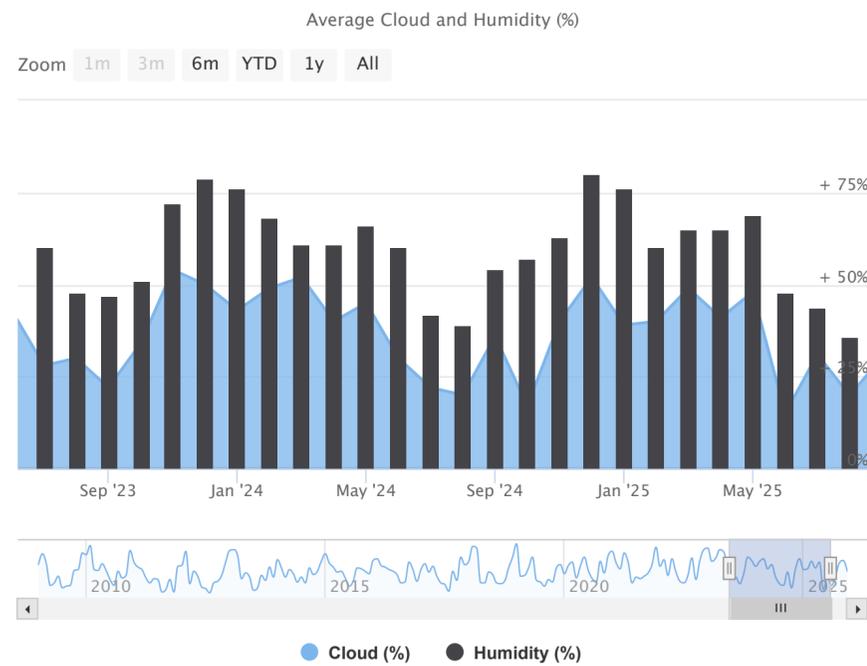

Hungary is a landlocked country in Central Europe surrounded by Slovakia, Ukraine, Romania, Serbia, Croatia, Slovenia and Austria. The Danube River forms part of Hungary's north-western border with Slovakia, and then flows south through Budapest, dividing Hungary into two general regions. A low, rolling plain known as the Great Hungarian Plain, covers most of the region east of the Danube extending east to Romania and south to Serbia. Hungary has a continental climate with cold, cloudy, humid winters and warm to hot summers.
